

## Qorus Content Hub

A Microsoft Partner Network sales enablement benefit

### Introducing Qorus Content Hub for Microsoft partners

The Microsoft Partner Network brings you the Qorus Content Hub, a Microsoft Office add-in that streamlines access to the Microsoft Partner Network website and quickly allows you to connect with your customers.

With Qorus Content Hub, you can quickly create state-of-the-art sales proposals and marketing assets – all without leaving Microsoft Office 365.

Shorten sales cycles and improve win rates

Make it easy to incorporate Microsoft content into your sales and marketing process

Track what content is being used and how it's used

Improve marketing content value and impact

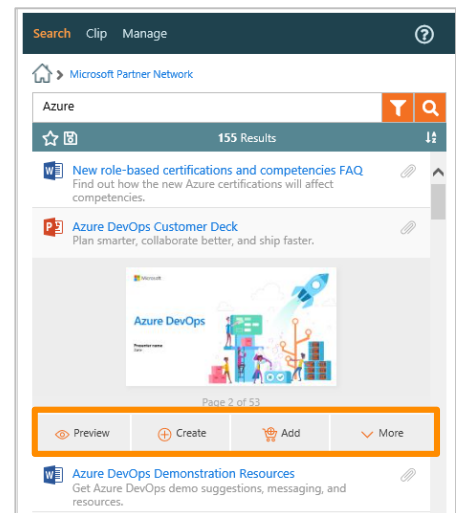

Reach more customers, more effectively

Spend time with your customers, not on content preparation

Find, preview, create, and add documents without leaving Microsoft Office

### Get started today

Register online to kick-off the onboarding and activation process for your organization.

Qorus Content Hub is available to MAPS, Silver, and Gold partners with a Microsoft Office 365 login and Office 2016 installed.
